

Regional Meetings 2021

01 October 2021

Council is once again conducting regional meetings within the local government area. We encourage all community members to come to these valuable sessions. We recognise that not everyone can attend our monthly formal Council Meetings in Walcha and having our regional meetings allows those busy community members the opportunity in a more casual setting to chat with the Mayor, Councillors, General Manager and senior staff about anything that Council can assist you with. It is also an important forum for Council to let you know the many things we have been undertaking and are planning.

The following are a few things we would like to chat with you about:

- Introduction to new General Manager, Barry Omundson.
- Advise on how to become a Councillor – what it means, the challenges and rewards of community leadership.
- Update on current projects and future planning.
- Community consultation – updating our priorities will be the cornerstone of our new revised Community Strategic Plan.
- Things you would like us to address or information you may be seeking Council can assist with.

An open invitation is extended to all interested residents to meet with your Council on the following dates and venues:

Monday 11 October 2021:

11:30am – Europambela Shearers Quarters
02:30pm – Ingleba Hall

11:30am – Brockley Park Woolshed
